Memorandum

DATE: 04/05/2007

TO: 2007 Women's Softball Managers

FROM: Tina Garza, League Director
Recreation Coordinator

SUBJECT: Start of the Season and Game Schedules

Due to difficult circumstances there was a Women's Softball team that had to withdraw from the league. The games played on Monday, April 2nd, which a few teams had the opportunity to play, will be considered a "pre-season game". Those games will not count in the teams 1st Half overall win/loss record.

Enclosed are new revised game schedules.

If there are any mistakes on the game schedule, please call our office so we can make appropriate changes. Visit our web site at www.hollister.ca.gov/RecreationDepartment/AdultSports for softball schedules, scores, standings, and weather link. If I can answer any questions or address any concerns please call 636-4390 or e-mail tina.garza@hollister.ca.gov.
